Out of the passage from Revelation 1, we understand that Jesus commissions us to make disciples. As you start this new year, who is someone you could disciple? This week ask God to show you someone, just one person, that you can come along side and have conversations about the Gospel, faith, and following Jesus. Initiate a conversation with them and see where it goes. This may seem overwhelming or intimidating but, with the help of the Holy Spirit, you can make an eternal difference in someone’s life. If you desire help with how to disciple someone, visit www.shades.org/dgroups or contact Bradley Patton or Tim Wheat.
