Job 29-31

## Questions for Discussion

1. In what ways have you been blessed by God? What opportunities do you have to be a blessing to others?
2. The book of Job is called “wisdom literature” which helps the people of God live faithfully in God’s world. What principles from Job have you found helpful for your everyday life?
3. What trial in your life is teaching you steadfastness right now? Share honestly with someone around you and pray together, if appropriate.
4. How does Job point us to Jesus?
