Questions for Discussion

1. In a world quick to focus on self and situation, what can you do this week to re-orient your attention to the greatness of God?
2. How have you previously experienced the presence and grace of God even when you couldn't “hear” him?
3. Why is it difficult to rest secure – even if our questions are unanswered? How are you learning to wait patiently upon the Lord right now?
4. In what ways will you prepare to behold the glory of the Lord this week?

How to Live Sent This Week

In these chapters God transforms Job's perspective. This week, look for an opportunity to gently shift someone's focus from self and situation to God's greatness and redemptive purpose in Jesus.
