

**“Caring Well”**  
Sermon Discussion Guide  
November 1, 2020

**Questions for Discussion**

1. If you are discussing this with your children, begin by asking them what questions they had about what was mentioned this morning.
2. What is God’s heart for the vulnerable and abused? How is that good news for us?
3. What plans can you make to be a safe place and a compassionate refuge for the vulnerable and abused?
4. What hope can we take from knowing that Jesus was a Man of Sorrows and acquainted with grief?

**Live Sent This Week**

If you have or are currently suffering abuse, we are grieved. It is not supposed to be this way. Our church wants to step toward you with compassion. If you need a safe place to talk to someone, please email our secure email [counseling@shades.org](mailto:counseling@shades.org).

As a church committed to preventing abuse and caring for abuse, through policy and structural protocol and individual, caring compassion, please consider taking a step to become more aware of abuse around you by taking our abuse training course by completing our volunteer application and awareness training at [www.shades.org/cp](http://www.shades.org/cp).
