

**“An Unshakable Faith During Shaky Times” | Psalm 15**  
Sermon Discussion Guide  
November 15, 2020

**Questions for Discussion**

1. What about 2020 has “shaken” you?
2. How would you rate your proximity to the presence of the Lord?
3. What opportunities do you have to walk blamelessly by honoring others and guarding your integrity?
4. Do your inner thoughts and audible speech agree? How can you refrain from slander and gossip this week?

**Live Sent This Week**

In the sermon today, Danny mentioned several behaviors “not to do.” Look for an opportunity this week to engage in a conversation with a friend or friends who have not heard the sermon. Share with them at least one of the behaviors that you are seeking to “not do” in order to be more consistent in your trust in God. Offer to send them the sermon link so they understand and to encourage them in their faith journey.
