

**“Come Before Winter”**  
Sermon Discussion Guide  
November 29, 2020

**Questions for Discussion**

1. What “beauty” and “brevity” have you seen this year?
2. What do you need to do **now** in your relationship with Christ? Do you need to receive Christ? With whom do you need to share Christ?
3. Do you like the person you are becoming?
4. What do you need to do **now** in relation to others? How can you leverage your resources, mend broke relationships, and/or express gratitude?

Have you ever missed out on something because you waited too long? Intentionally engage with an individual or group this week around the topic of procrastination. Share your story of what you missed by waiting and then ask if they have anything similar to share. Before leaving the conversation, ask them if they are putting off anything God has asked of them. Share the story of Christ with them and ask if they would like to receive him into their life right now.
