

# THE LORD'S prayer

MATTHEW 6:9-13

WHEN YOU PRAY,  
PRAY LIKE THIS

## ***QUESTIONS FOR DISCUSSION***

1. Share with those around you about the areas of your life you're tempted to build your own kingdom. How can you encourage one another to desire the Father's kingdom?
2. Can you recall a moment where you submitted to the Father's will (whether it was easy or hard)? What did you learn from it and how might you share that with someone this week?
3. What God-given spheres of influence have you been given? What ways might you bring the kingdom "on earth as in heaven"?

## ***LIVE SENT THIS WEEK***

When Jesus invites us to pray "Thy Kingdom Come", he is inviting us to align our hearts, our hopes, our desires, with the Father's heart. Look for an opportunity this week to share with someone a desire you have that you feel is from God. That conversation will allow you to encourage them in considering how to align their desires with the Father.
