Sermon Discussion Guide

Questions for Discussion

1. Discuss this quote from Vance Havner, “*The Kingdom of God is no place for a man with his face pointed one way and his feet the other. God is not taking people to heaven backwards.*” Explain what he means in your own words.
2. What does Jesus mean when he says “whoever would save his life will lose it”? Talk about how counter-cultural Jesus’s statement is in our society. Do you recognize any area of your life where you’re trying to “save” your own soul?
3. Think about the statements “losing your life” and “losing your comfort and security.” Is there a difference between the two? How are they related? In this context, what’s the difference between a “cultural” Christian and a “disciple of Jesus”?

Live Sent This Week

As you seek to follow Jesus, plan to imitate him this week by rightly honoring your neighbors’ soul. It could be: showing kindness; giving generously; sharing the gospel; serving a need; praying for someone, etc. Commit to a specific way and share that with a few people to encourage them and to be encouraged by them.
