

**“The Persecuted Life”**  
Sermon Discussion Guide  
Acts 14:1-28 | September 6, 2020

**Questions for Discussion**

1. How do you see our society “poisoning minds” against fellow Christian brothers and sisters? Are you tempted to believe any of these untruths? How can you apply God’s truth to these areas?
2. In the midst of trying times, we need our souls strengthened. Share with those around you about things that strengthen your soul. How will you make time for that this week?
3. Why is it important to be reminded that “all who desire to live a godly life in Christ Jesus will be persecuted”? Would you say you’ve experienced tribulations? What encouragement do you need in order to continue in the faith?

**Live Sent This Week**

As you seek to follow Jesus this week, be on the lookout for someone who needs a word of encouragement. Think about the ways God has uniquely gifted you to encourage others and use that to encourage someone this week.
