Job 1:1-2:10

Questions for Discussion

1. No matter where you find yourself in life, what comfort can you find in remembering that God is totally and completely in control?
2. Why is it important for us to remember (1) that God is God and we are not and (2) God's nature is to be compassionate?
3. Discuss this quote by Francis Andersen, "It is easier to lower your view of God than to raise your faith to such heights."
4. When you're faced with difficulty in life, how are you tempted to "lower your view of God" or "question God's goodness"? Discuss ways your friends and family can remind you to be faithful.

Live Sent Challenge

With everything happening in our world (pandemic, racial tension, business closings, school challenge), many people are experiencing suffering. This week, ask the Father for eyes to see someone around you who may be suffering. Pray for them and reach out to them to offer words of encouragement and hope.
