Approved 2019 Budget

**Our mission:
Sending transformed
people to influence
their world for Christ.**

MISSIONS

This area of our budget focuses on making Jesus known to our neighbors and the nations. Giving to the Cooperative Program and the Birmingham Baptist Association allows us to participate in missions with churches in our immediate area and around the world. The other categories are areas in which our church is directly involved in missions, including evangelism and compassionate justice.

This area has gifts from our budget only and does not include our Make Jesus Known gifts, which are listed separately on the back.
