General Information

Chinese/Taiwanese Ministry: During the worship service, translation is available in the balcony. Take guests to the 5th floor and as you enter the worship center, members of this ministry will be on the right of the control booth. For Sunday school, take them to D526. For assistance, call Lilly Huang, her cell is (205) 533-4107.

Family Restroom: main level Worship Center to the left of the Connection Center Desk (if you are facing the front of the desk) just beyond the women's restroom.

First Aid: 4th floor (Room 438). If assistance is needed, use radio channel 1 to communicate the location of the individual needing assistance.

Nursing Mother's Room: main level Worship Center to the left of the Connection Center Desk (if you are facing the front of the desk) just beyond the Family Restroom (in the location of the former First Aid room).

Hearing Devices: available to be used during the Worship service and may be picked-up in the Connection Center and returned to the same place after the service is over.

Lost and Found: closet of the Connection Center (back left when facing the desk). We won't be keeping items for long periods of time and there will only be one place. If someone brings items to you, they need to be placed in this space (unless the person has been notified to pick up the item.)
