

“God Cares. God Rules. God Provides”

Ruth 2:1-23

If your family includes children of varying ages, consider rewording the questions to help your child better understand what's being asked.

1. How have you seen tangible evidences of God's care for you and your family over the past few weeks?
2. From your perspective, what “ordinary coincidences” were actually God's providential rule and care in your life?
3. As you live, work, and play this week, how will you cultivate a sense of both humility and wonder at God's care, rule, provision, and plan?

IDEAS FOR LIVING SENT THIS WEEK

Consider how you or your family may serve some of those who are poor and oppressed in our community by preparing lunches, providing groceries, or volunteering through one of our local mission partners:

- Christian Service Mission – provides groceries for poor and elderly.
- Urban Purpose – provides lunches for homeless.
- Serving You – provides services and food for poor.
