

Penny War

The goal of the Penny War is to raise \$1000 for Todd Peterson and Pulse Church Miami! Here is how the Penny War works:

- Each Team will have a designated Jar to collect money
- Pennies will count positively for your team
- Dollar Bills and Silver Coins will count negatively for your team
- Place Pennies in your Jar and Dollar Bills/Silver Coins in other teams jars
- Once money is placed in a jar it is unable to be moved

The Team with the Highest Money Value at the end of the Recreation on Saturday Afternoon wins tremendous points for their rec team!
